

Highlights - Team event

Ontario wins the team competition

All the objectives of the province have been acheive.

The organizers of the Championship from the Tennis Club of Ile des Soeurs would like to congratulate all the athletes who competed in the opening weekend Team Competition. This Team Competition allows players from all provinces in Canada to compete in singles, doubles and mixed dou-

bles. Each victory is worth one point. This year both the Ontario teams (red and white) had accumulated enough points to compete against each other in the final rounds. "Ontario white" winning the honor 3-1. Ile des Soeurs congratulates you!

NEXT, the individual tournament!

This begins on Monday March 28 through Saturday April 2nd. The players will compete for the honor of perhaps being crowned Champion. The first seed in the singles tournament is Brayden SCHNUR for the boys and Evangeline REPIC for the girls. Both players are from Ontario. We wish all players the best of luck. Extra special wishes go out to our Club de Tennis Ile des Soeurs players. Laurence Guevrement, Mackenzie Stearns, Philippe Courteau and Benjamin Dubuc. Good Luck to All!!!

EVENING AT THE SUGAR SCHACK

The opening night of the Championship provided the participants and their coaches with a typically Quebec spring time event 'Sugaring Off' courtesy of the Ile des Soeurs Tennis Club. An added attraction to the evening asked participants to perform a unique song or dance! We wish to congratulate Philip Gubenco for his wonderful performance! This is Philip's second experience as a coach in the National Championships. Finally, we would like to thank all the players and coaches who helped to make this social event a success with record breaking attendance.
